

MINNESOTA RØKKR

DALLAS HOME SERIES | APRIL 10-12, 2020

READY TO RØKK

Minnesota RøkkR action returns as the Call of Duty League moves to online match play. RøkkR are carrying strong momentum from the Los Angeles tournament (March 7-8) where they fell just short in their first Grand Finals appearance. This weekend, the Dallas Empire are the official hosts, with everyone playing online on dedicated servers. The first tournament in a month will showcase a total of eight teams from the CDL, with Minnesota prepped to compete in Group B against the Chicago Huntsmen, Paris Legion and Seattle Surge.

RøkkR will kick off their weekend action versus the Huntsmen at 6 p.m. CST on Friday, April 10, and will play again on Saturday at 12 p.m. or 3 p.m., depending on the results of their Friday matchup.

Entering the weekend, Minnesota is the only team in the league to boast three players among the top 10 in overall K/D ratio. GodRx leads the squad and ranks fourth in the CDL with a 1.29 rating while Assault (1.14) and Alexx (1.12) rank ninth and 10th, respectively.

Minnesota RøkkR will host an official Watch Party on their Discord — check their social media for the link!
