#PLAYASONE

Due to power outages across the state of Texas, the regularly scheduled weekend matches shifted to an entire week of Call of Duty, dubbed “Super Week” February 22-28, 2021. Each team played three matches during Super Week and in its opening match, RøkkR swept the Seattle Surge, winning 3-0. Mid-week against New York Subliners, we fell 0-3. To round it out we took on the London Royal Ravens, sweeping the game for a 3-0 score.
